Dear Central City Resident,

We are notifying you of a historic event that will be happening on the evening of Friday September 16th and day of Saturday, September 17th in Central City for the first time ever. This is the 4th annual event having moved from Georgetown, CO. The event will be primarily located on Main St and the Big Tee Lot Friday and Saturday. We will have approximately 100 historic 1950's hot rods driving (climbing) up Spring St from Big Tee Lot to the intersection of Virginia Canyon Rd and Rd 6 from 9am to 4pm Saturday. This route will be closed for these cars to go up, they will return to the Big Tee Lot via the Central City Parkway. The Hot Rod Hill Climb (HRHC) is a historic celebration of the "races" that took place in 1953 and 1954. Please welcome more than 500 cars and thousands of spectators to Central City that weekend.

You are invited to City Hall on August 11th at 6:00pm where we will be available for question and answer sessions. Our goal is to have a limited impact on the community, and are happy to address any concerns at this meeting.

Feel free to contact me with any questions, and we hope you will join us in these festivities!

Sincerely,

Mike Nicholas, Founder, Hot Rod Hill Climb
